WHO WE ARE & WHAT WE STAND FOR

At Atlantis University, you'll come face-to-face with influential thinkers and doers. These fellow nonconformists, like yourself, seek nothing less than constant improvement and transformation.

+++

THIS IS ATLANTIS UNIVERSITY.

WHAT'S WAITING FOR YOU AT A PLACE LIKE AU?

Here, you can expect to find a tech-driven, mentor-inspired, rigorous education. All of this takes place within a learning environment that is, of course, diverse and inclusive.

AU helps you take your career to the next level –no matter your field of choice– by partnering with industry leaders who'll ensure that you master in-demand skills and gain leadership experience during your time with us.

WHAT MAKES US DIFFERENT? WELL...

First, we could show off by pointing out that we are a unique and forward-thinking academic institution. The Atlantean fire we know today started with a spark some 40 years ago. But that has never stopped us from looking ahead, constantly evolving, and offering a modernized educational experience.

We could also try to impress you with our beautiful Miami-based Campus as well as our live, virtual programs (and that would certainly make us look great).

Or, we could point out that AU is recognized across the board by employers, educators, and innovators alike for our high-quality university degrees & certificate programs.

But the reality is that our most important praise comes from our own students and alumni. Now that speaks for itself.

WHY ARE WE TELLING YOU ALL OF THIS?

ONE SIMPLE REASON:

**BECAUSE WE WANT TO LET YOU KNOW
THAT WE ARE**

**THE HOME
OF THE
NON-CONFORMISTS.**

**Chances are, if you're reading this,
you're already one of us.**

You won't settle for an ordinary education...

So we want to take this opportunity to showcase:

- Our commitment to perpetual innovation
- Our high-quality, career-focused education
- Our professors and trainers who are passionate about teaching
- Our technology platforms, which are easy to use, hassle-free, and include 24/7 technical support

...And so much more.

SO KEEP READING

and come along for the ride!

You just might become an Atlantean along the way.

WHY AUX?

WELCOME TO THE HOME OF THE NON-CONFORMIST

WHY AU?

THE ATLANTEAN DIFFERENCE:

What can AU
do for **you**?

A FOCUS ON CAREER

Your future career is important to us. As a result, one of the perks that we offer is the ability to incorporate valuable, sought-after industry certifications into your degree or program.

ACCELERATED-LEARNING ALTERNATIVES

On average, Atlanteans complete their degrees in half the time as other students would. You could earn your Bachelor's Degree in 29 months and your Master's Degree in 12 months. Possibly even less, if you have transferable credits

IMMERSIVE EXPERIENCES

The AU curriculum doesn't confine you to a classroom. Instead, it includes opportunities to participate in applied research, workshops, and group projects. All of which are designed to give you the chance to work directly with industry leaders.

COLLABORATION AND EMPOWERMENT

Learn from your fellow students, even if they're enrolled in different programs! Develop projects while working in interdisciplinary teams with students from all our Schools: Business, Computer Science, Education, Engineering, and Healthcare.

**IF YOU'RE STILL WONDERING:
WHY US? WHY CHOOSE AU?
LET'S BREAK IT DOWN.**

We boast over

5,000+
graduated
students

from our degrees, diplomas,
certifications, and
continuous education programs.

We have

70 accredited
programs

Over the years,
we have awarded

\$8M

in financial aid, grants, and scholarships.

**LIKE YOU,
WE ALSO ARE
DATA-DRIVEN:**

Over 1000

applied research projects

45%

of our students come
from an international background.

85%

of our students
are employed after graduation

AU?

STILL HERE?
LET'S KEEP GOING, THEN.
WE ALSO TAKE PRIDE
IN BEING DIVERSE,
FLEXIBLE, AND
PERSONAL.

DIVERSITY

"The art of thinking independently, together."

The Atlantean family is over here. But it's also over there. The truth is, we are everywhere. How is that possible? Well, because first and foremost; we are an international, multicultural educational system. We cross borders and bridge gaps between people of all backgrounds and all walks of life. In other words, our mindset is global, so our campus experience is global as well.

SO IT DOESN'T MATTER WHETHER YOU SPEAK ENGLISH, SPANISH (UN POCO DE LOS DOS), OR JAPANESE (KON'NICHIIWA), YOU'LL FEEL RIGHT AT HOME.

FLEXIBILITY

"Stay committed to your decisions, stay flexible in your methods."

Look, we get it. Non-conformists like you march to the beat of their own drum. You have a busy life and we're going to empower you to keep on living it. In AU, you'll have access to professional training. On your own time, on your own terms.

PERSONALIZED EXPERIENCES

"The key to success is the ability to adapt."

Atlantis University is big on tech, but we're even bigger on giving all of our students the tailor-made attention they want and deserve.

WHY AU?

THE ATLANTEAN DIFFERENCE

WHAT CAN AU DO
FOR YOU?

LOCATION:

Why settle when you can soar?

At Atlantis University, we don't do things the old-school way. We recognize that we are living in a global society and economy. As a result, we strive to equip organizations and their leaders with the right mindset, the right tools, and the right networking opportunities. This is the way that our students can learn to tackle the world's biggest challenges...

...AND OUR INNOVATIVE **GLOBAL CAMPUS** IS THE PERFECT REFLECTION OF THAT.

We are the only university that creates a global campus experience based on personal attention and flexible, industry-centric programs. As soon as students enroll, they are assigned into specific learning teams. These groups are hand-picked in order to guarantee professional and personal diversity, which encourages everyone to bring to the table their own unique points of view. By working with these diverse and carefully curated teams, our students broaden their functional knowledge and hone their leadership skills.

Only **Atlantis University** can give you personalized attention that fits your needs as a student. As well as learning experiences that are technology-based.

WHAT EXACTLY DOES “TECHNOLOGY” MEAN IN AU’S GLOBAL CAMPUS?

By that, what we mean is utilizing technology to its fullest potential. Not just as a learning tool, but also as a contact within your industry.

Because at the end of the day, that technology is precisely what will prepare you as a graduate for the career requirements of the Real World.

But if you're still in the mood for a little bit of sunshine (hey, we can't blame you!), our campuses are stationed in downtown Miami and the Miami Health District, over at University Park. After all, who can resist the appeal of the wonderful Sunshine State?

THE ATHLETICS OF ATLANTEANS

Sports are an integral, celebrated part of the university experience. Who would ever want to miss out on that?

That's why we provide our student athletes with amazing opportunities to play a wide range of organized and highly competitive varsity-level sports. Student athletes can choose to join the following teams: basketball; baseball; softball; soccer; football; tennis; volleyball; cheerleading and dance; track and field; golf; cross country; and more.

But wait, there's more in store. We're currently executing a strategic plan to become a nationally recognized, intercollegiate powerhouse over the course of the next few years. Our goal? Reaching a total of 30+ sports (with affiliation to the USCAA or NCCAA!) in just over 3 years.

OUR PROGRAMS
YOUR FUTURE

PROGRAMS

OUR PROGRAMS | YOUR FUTURE

BUSINESS

The School of Business gives you the practical knowledge, technical acumen, and critical thinking skills that will allow you to make a positive impact in your workplace; in your field; and in the business world.

INFORMATION TECHNOLOGY

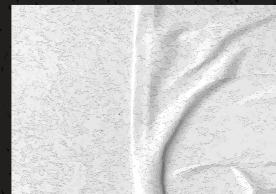

The School of Computer Sciences and Technology teaches you the technical and hands-on skills you'll need to develop and manage the latest networking, cloud, and cybersecurity environments.

ENGINEERING

The School of Computer Sciences and Technology teaches you the technical and hands-on skills you'll need to develop and manage the latest networking, cloud, and cybersecurity environments.

#AUFACTS

We welcome students from over 30+ countries
and over 40% of our faculty staff is international. +

The School of Health prepares you with the competencies and highest standards of healthcare education, in order for you to become a qualified professional trained in health education, direct care, nursing, administration, and management.

HEALTH

The School of Education prepares current educators (as well as aspiring education leaders) with the knowledge, skills, pedagogical techniques, and technical competences that will allow them to create an impact in their careers.

EDUCATION

The Atlantis Language Institute will culturally immerse you in a foreign country. Whether you're a beginner or advanced learner, the Institute will make it easy for you to learn how to communicate fluently in English, Portuguese, Mandarin, Spanish, French, and any other language.

LANGUAGE INSTITUTE

#AUFACTS

The AU student-to-faculty ratio is around 25:1.

OUR PROGRAMS | YOUR FUTURE

BUSINESS

PROGRAMS

**THE BRAVE,
BOLD WORLD
OF BUSINESS**

BRAVE MINDS SHAPE THE BUSINESS WORLD

YOUR MIND IS RESTLESS. YOU DON'T SETTLE ON WHAT'S ALREADY ESTABLISHED JUST BECAUSE IT HAS ALWAYS BEEN THAT WAY... ESPECIALLY IF YOU BELIEVE THAT THERE'S A BETTER WAY TO DO THINGS

YOU UNDERSTAND THAT THE WORLD IS CHANGING AND THAT IT IS YOUR DUTY AS A CITIZEN OF THIS NEW DIGITAL WORLD TO ADAPT... BECAUSE THAT IS THE BEST WAY TO SHAPE TOMORROW'S DIGITAL ECONOMY.

All of this to say:

We are here to help you reach all of your entrepreneurial goals. From project management to artificial intelligence, here is where you'll learn what it takes to thrive at every stage of your business career.

Why are we inviting you to enroll in our Business School? Among other reasons...

- ...You can combine your interests in business and tech.
- ...You can develop your leadership skills
- ...You can immerse yourself in the digital ecosystem of Miami, Silicon Valley, and NYC with any of our STEM-oriented programs.

In short, there's never just "one" approach to a career in business. So we will work closely with you to help you define your goals and find a career you'll love in the long term. That's why we offer multiple learning alternatives at undergrad, postgrad, and continuous education levels.

BUSINESS

UNDERGRADUATE STUDIES

OFFICE ADMINISTRATION:

Transforming yourself into the leader of your workplace could be the next great step in your career. Become an administrator who knows how to guide an entire team in the path towards success. Once you're enrolled, we'll prepare you for a career in a variety of managerial positions by teaching you about business, entrepreneurship, and (of course) leadership skills.

ASSOCIATE'S IN BUSINESS ADMINISTRATION:

Everybody knows that leaders aren't born— they're made with the help of programs like ours. This program prepares you for management roles in a variety of organizations. Here, you'll learn how to apply business concepts to real-world scenarios.

ASSOCIATE IN INTERNATIONAL BUSINESS:

You don't have to travel around the world to understand the in's and out's of international trade. Through this program, you'll be trained in a wide array of industries that require a technical understanding of international commerce. Accounting, leadership skills, HR experience— you name it and you'll get it.

BACHELOR'S IN BUSINESS INTELLIGENCE AND ANALYTICS:

○ DON'T JUST WALK THE WALK... LEARN HOW TO TALK WHEN IT COMES TO LEADING DIGITAL ORGANIZATIONS.

Our goal with this program is to shape your creative mind and transform you into the best data-driven decision maker you can be. Take charge and get ready to become a leader in the 21st-century global marketplace.

BACHELOR'S IN DIGITAL MARKETING:

DO YOU KNOW WHAT KPI STANDS FOR?

○ DO YOU UNDERSTAND THE INNER WORKINGS OF A CRM SYSTEM? DON'T FEEL INTIMIDATED!

Through our Digital Marketing concentration, our faculty will show you how to execute digital campaigns, manage SEO, and understand other key concepts that are critical to know in the digital business world.

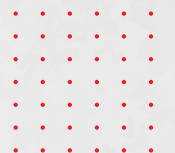

BACHELOR'S IN HEALTHCARE MANAGEMENT:

This concentration is the ideal crossover for those students who have a passion for both business and healthcare.

○ By the time you graduate, you'll know how to confront (and surpass!) all of those specific issues and challenges that concern the healthcare delivery industry.

BACHELOR'S DEGREE

○ BACHELOR'S IN HOSPITALITY MANAGEMENT:

WHAT DO YOU GET WHEN YOU COMBINE A BUSINESS DEGREE WITH A HOSPITALITY CONCENTRATION AT AU?

The answer is an amazing, in-depth program that will show you the ropes of the hospitality management field. Gain all the necessary skills needed in order to manage casinos, cruises, hotels, restaurants, and more. Don't just become a business professional— become the “host with the most.”

○ BACHELOR'S IN PROJECT MANAGEMENT:

DOES BUILDING A ROBUST BUDGET AND SCHEDULING AN EFFICIENT WORKFLOW SOUND LIKE YOUR THING?

In that case, this AU degree in project management sounds right up your alley. Hone your skills in this program and you'll come out of it ready to pass the Project Management Certification industry credential exam (CAPM) with flying colors.

○ BACHELOR'S IN INTERNATIONAL BUSINESS:

MAYBE YOU CAN'T WAIT TO ENTER THE BUSINESS WORKFORCE.

Or maybe you feel like there's a graduate degree out there that is calling your name. Either way, the International Business concentration will give you the solid foundation (in theory and in practice) that you'll need in order to take business organizations by storm.

GRADUATE STUDIES

MS IN BUSINESS ADMINISTRATION:

ARE YOU READY TO MAKE AN IMPACT? DON'T WAIT, THEN.

Claim and attain the leadership position you've always wanted and needed to launch your own startup, while you're still in school. How? By joining this MS program, that's how. Over the course of the degree, our faculty of industry thinkers and leading practitioners will guide you as you improve your decision-making skills and translate your Big Ideas into action.

MBA IN BUSINESS INTELLIGENCE AND ANALYTICS:

IF A BUSINESS CAREER IN THE TECH SECTOR INTRIGUES YOU... IF YOU'RE A DATA-DRIVEN JUNKIE...

Or if you simply have a keen interest in mastering managerial skills, Atlantis has a program with your name on it. Maximize your digital competencies and transform yourself into an effective decision maker within the market.

MBA IN DIGITAL MARKETING:

THE CURRENT DIGITAL LANDSCAPE IS CONSTANTLY BEING SHAPED AND RESHAPED BY GLOBALIZATION AND TECHNOLOGY.

But don't worry—leave it to us, and we'll make sure you don't fall behind. Within this graduate degree, you'll gain all of the know-how behind the digital business world.

MBA IN INTERNATIONAL BUSINESS:

In this degree, we'll show you how to master business in any sort of global context. Learn how to manage international locations, track budgets, increase efficiency, and so much more.

MBA IN INFORMATION TECHNOLOGY:

PLANNING, MANAGING, AND LEADING IT PROJECTS DOESN'T HAVE TO BE A DAUNTING TASK.

This AU degree will introduce you to a world where business and tech go hand-in-hand. Become a liaison and bridge the gap between the business and the technical aspects of even the most complicated projects.

MASTER IN HOSPITALITY MANAGEMENT:

NEED A COMPETITIVE EDGE?

YOU'LL FIND THAT HERE AND NOWHERE ELSE, BECAUSE THERE'S NO OTHER DEGREE QUITE LIKE THIS ONE.

At Atlantis, we are well aware that the hospitality management arena is a demanding one. We will give you the 4-1-1 on the ways in which decision-making abilities, management skills, and cultural understanding can make a positive impact in the world of hospitality.

TECH | IT

PROGRAMS

**CULTIVATE YOUR
(TECH)NICAL SKILLS**

TECH - IT

TRANSFORMING YOURSELF INTO THE LEADER
OF YOUR WORKPLACE COULD BE THE NEXT
GREAT STEP IN YOUR CAREER.

THE IT INDUSTRY IS IN A STATE OF CONSTANT EVOLUTION— AND SO ARE OUR OFFERS.

Computer Science and Information
Technology as we know it are always
changing, but you're not going anywhere.
We know you're in it for the long-haul.
So we're in it, too.

DIPLOMA & CERTIFICATE PROGRAMS

MASTER THE NETWORK WITH THE NETWORK OPERATIONS DIPLOMA (NOP):

Now more than ever, IT professions are becoming one of the hottest, most in-demand careers.

Why would you want to miss out on an opportunity like that?!

Join this AU program so that you can earn your CompTIA Network+ & Cisco CCNA certifications, all while furthering your knowledge in AWS and Azure networking environments.

ADVANCE YOUR CAREER IN THE CLOUD AS AN ENTERPRISE CLOUD PROFESSIONAL DIPLOMA (ECP):

The ECP is a part-time, 4-month-long program that prepares you for certifications in Azure Fundamentals, Network+, Linux+, AWS Solutions Associate, and Office365.

BUILT FOR HACKERS: INFOSEC PROFESSIONAL DIPLOMA (INFOSEC):

BET YOU DIDN'T KNOW THIS:

Our exclusive InfoSec diploma is one of the only training programs in the nation that prepares its students or these specific certifications: the EC Council CEH & ECSA, the ISC2, and the CompTIA S+.

Why wait, when you could start becoming a Cyber Security Specialist today?

BECOME A TECH WHIZZ WITH THE COMPUTER INFORMATION TECHNOLOGY DIPLOMA (CIT):

Is there a network administrator position out there that seems to be calling your name? Perhaps becoming a Data Communication Manager or a Communication Specialist is more your style... Whichever one you strive to achieve, you'll be one step closer once you complete our advanced and highly specialized CIT program.

ASSOCIATE OF SCIENCE IN INFORMATION TECHNOLOGY:

HERE'S A SECRET. WANT TO DISCOVER HOW TO GET YOUR FOOT IN THE DOOR OF THE COMPUTER SCIENCE INDUSTRIES?

Complete this program and show off all of your new set of high-specialized tech skills. We'll empower you to evolve into a Cisco networking technician, a server administrator, a Microsoft specialist, or anything else that you aspire to become within the world of IT. The sky's the limit!

BACHELOR'S IN ARTIFICIAL INTELLIGENCE:

DO YOU DREAM OF CREATING A COMPLEX AI SYSTEM, WORTHY OF A SCIENCE FICTION NOVEL? YOU'VE COME TO THE RIGHT PLACE, THEN.

Because with this degree, you get the inside scoop on how to design smart agents to solve real-world problems. This includes search, gaming, machine learning, logic, and constraint satisfaction problems.

BACHELOR'S IN CLOUD COMPUTING:

IF YOU FEEL LIKE YOU'RE ON CLOUD NINE WHEN YOU THINK ABOUT AN IT CAREER, THEN WE ARE RIGHT THERE WITH YOU.

Sign up for this degree and focus on the fundamentals of building IT infrastructure on a cloud platform, cloud services management for building various cloud models, and so much more.

UNDERGRADUATE STUDIES

BACHELOR'S IN CYBER INTELLIGENCE:

HAVE YOU EVER THOUGHT ABOUT THE ETHICAL SIDE OF TECHNOLOGY?

We certainly have. That's why AU offers this in-depth program aimed at educating you on things like how to respond to cyber-attack; how to identify vulnerabilities in systems; and most importantly, how to protect and defend those systems.

BACHELOR'S IN DATA ANALYTICS:

THE TECHNOLOGICAL REVOLUTION IS ON THE HORIZON AND YOU WOULDN'T WANT TO MISS OUT, RIGHT?

No matter what organization you're in, if you have a degree like this one concentrated in data analytics, you can perfect your technical skills in the blink of an eye. Learn the art of planning, forecasting, and production of data analysis (among many others). Don't wait!

BACHELOR'S IN SOFTWARE DEVELOPMENT:

LET'S GET STRAIGHT TO THE POINT.

Here's what it means to choose a software development concentration at AU. You'll be taught how to develop complex software and computer applications. This can mean anything from word processors, to games, and all things in between. Not to mention that, with the skills you'll learn here, you could also potentially create custom commercial software for customers to sell. How cool is that?

GRADUATE STUDIES

MASTER'S IN CYBERSECURITY:

NEVER LET CYBERCRIMES TAKE YOU BY SURPRISE.

Make sure you always know how to develop, implement, and manage secure information systems. In this degree, you'll be provided with theoretical, practical, and applied skills in computer-based information systems. Basically, all the

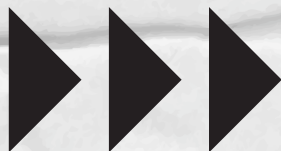

MASTER'S IN INFORMATION TECHNOLOGY (MIT):

THIS INTENSE GRADUATE DEGREE PROGRAM
IS NOT FOR THE FAINT OF HEART.

But we're not worried, because if you're here, we know that you are up for the challenge. Dare yourself to rise above the rest. Become not just an innovator; become a top performer in a new era of technology. This immersive degree is also supplemented by biweekly workshops on trending tech topics. **What more could you ask for?**

ENGINEERING

PROGRAMS

**WE'RE ENGINEERING
THE CAREERS OF THE
FUTURE.**

**EVERYONE KNOWS THAT COMPLICATED
TECHNICAL PROBLEMS REQUIRE CREATIVE,
OUT-OF-THE-BOX THINKERS.**

**IF THAT SOUNDS LIKE YOU,
THEN WE WOULD LIKE YOU TO KNOW THAT THIS IS
THE SPACE FOR YOU.**

**DESIGN,
DEVELOP,
DEPLOY—**

**GAIN THE RIGHT SKILLS TO MAKE
A POSITIVE TRANSFORMATION
ON YOUR ENVIRONMENT
(BOTH PROFESSIONAL AND LOCAL).**

UNDERGRADUATE STUDIES

BACHELOR'S IN

ARTIFICIAL INTELLIGENCE:

COMPUTER ENGINEERING IS IN MANY WAYS, AN ART.

The art of turning technology into systems for control, computation, and communication. Explore the basics of AI and perfect your tech skills so that you can solve the real-world problems of tomorrow, today.

BACHELOR'S IN

CLOUD COMPUTING:

This is your chance to get a thorough grounding in the practices of computer engineering, applied specifically to cloud infrastructure. This program is unique in the way in which it emphasizes problem-solving skills. As a result, this works as an excellent background for any and all future engineers.

BACHELOR'S IN

CYBER INTELLIGENCE:

WHAT'S THE SECRET TO DEALING WITH CYBER SECURITY THREATS? THAT'S EASY: PREVENT THEM FROM EVER OCCURRING IN THE FIRST PLACE.

Sounds impossible, but over here at AU, we know that it's not. This concentration will give you the tools you need to apply scientific and mathematical principles to computer engineering in the context of cyber-security. Don't wait any longer to become a cyber know-it-all, in the best way.

BACHELOR'S IN

DATA ANALYTICS.

This engineering degree with an analytics concentration is nothing short of a match made in heaven. It combines theory and training, hardware and software— in summary, everything you could ever hope to learn in order to become a tech expert.

BACHELOR'S IN

SOFTWARE DEVELOPMENT:

FINALLY: A DEGREE FOR THE DOERS OF THE WORLD, FOR THOSE OF IT WHO ARE PASSIONATE ABOUT DEVELOPING THE SOFTWARE(S) OF THE FUTURE.

Enhance the capabilities of networks and communications systems through the power of a balanced, well-rounded education. One that recognizes the importance of balancing software development and hardware construction.

MASTER'S IN COMPUTER ENGINEERING

GRADUATE STUDIES

HERE'S WHAT OUR POSTGRADUATE COMPUTER ENGINEERING DEGREE CAN DO FOR YOU.

It can get you ready to pursue a career in communications, government, education, software development, and a broad catalog of other industries. It can prepare you to become a successful engineer, scientist, or educator. But perhaps the most significant thing you'll learn through this degree is the power of acquiring flexible skills in such an ever-changing tech landscape.

HEALTH

PROGRAMS

BECAUSE TO US,
IT IS ALL ABOUT THE “CARE”.

WHAT DOES HEALTHCARE MEAN TO YOU?

BECAUSE TO US,
IT IS ALL ABOUT THE “CARE”.

THE TYPE WHO GOES ABOVE AND BEYOND FOR THE PATIENTS.
IF YOU’VE STUMBLED ACROSS OUR HEALTH PROGRAMS,
THEN CONGRATULATIONS. YOU ARE ALREADY HALFWAY THERE.

ALL THAT’S MISSING IS
TAKING THE NEXT STEP.

UNDERGRADUATE STUDIES

BACHELOR'S IN NURSING (RN TO BSN)

LET'S SEE IF YOU FIT THIS PROFILE:

Are you currently an active, registered nurse with an Associate Degree in nursing?

ARE YOU READY TO HONE IN ON THE SKILLS THAT YOU ALREADY HAVE AND TAKE THEM TO THE NEXT LEVEL?

If so, this program is calling out your name. Here, you'll be taught how to understand the intricate issues surrounding patient care, so that you're able to make a positive impact in every step of their health journey.

HEALTHCARE MANAGEMENT:

Advanced healthcare practices and comprehensive management techniques come together in one single place to create this amazing degree. This intensive graduate program will help you maximize your potential and train you to hold all kinds of leadership positions.

NURSING (MSN):

PLAN, ORGANIZE, LEAD, CONTROL, AND EVALUATE.

You'll discover all this (and how to apply it to healthcare organizations specifically) through this multifaceted degree. You'll graduate with a newfound sense of confidence in your ability to spearhead quality-improvement initiatives in any type of healthcare organization.

MSN IN HEALTH INFORMATICS:

LET'S BE REAL: YOU WON'T FIND A PROGRAM QUITE LIKE THIS ANYWHERE ELSE.

That's because AU's Health Informatics concentration will show you how to leverage technology and data analytics tools to your advantage as a practitioner. That way, you can improve the quality, safety, outcomes, and cost-effectiveness of healthcare delivery.

MSN IN NURSING EDUCATION:

NOW THAT'S WHAT WE CALL A "DOUBLE-WHAMMY"!

If nursing and education are both your passions, why settle for just one? Make the most of both and use this program to your advantage. You'll gain all the competencies you could ever need in order to become the greatest academic nurse educator around.

GRADUATE STUDIES

MSN IN NURSING LEADERSHIP ADMINISTRATION IN HEALTHCARE SYSTEMS:

WE KNOW THIS CONCENTRATION IS A TOTAL MOUTHFUL, BUT TRUST US WHEN WE SAY THAT IT'S 100% WORTH IT.

Where else would you ever find such a varied degree, after all? Learn to lead, shape policies, influence patient outcomes, and deliver the best care possible, period.

MSN IN PUBLIC HEALTH NURSING:

"INTEGRATION" IS THE NAME OF THE GAME AROUND HERE.

This program's main objective is making sure that you graduate with the ability to integrate advanced nursing practices with public health perspectives that are population-based. Does this sound like your calling?

If so, don't wait any longer to enroll!

EDUCATION

PROGRAMS

**THOSE WHO CAN, DO:
EDUCATE THE NEXT
GENERATION**

MASTER'S IN EDUCATION:

WHAT WILL THE SCHOOL OF THE FUTURE LOOK LIKE?

WHAT WILL IT MEAN TO BE AN ADMINISTRATOR THEN?

In an ever-changing digital world, we know that you're looking for something different. Not just any Master's degree; but rather one that is constantly evolving and prioritizes hands-on learning, technology, and leadership.

That's the reason why we feel like this degree was tailor-made for you. Through it, you will gain access to all the most current theories, methodologies, and pedagogical techniques. **Stay ahead of the curve!**

GRADUATE DEGREES

MS EDUCATION IN EDUCATIONAL LEADERSHIP:

SO, WE HEARD THAT YOU WANT TO MAXIMIZE YOUR POTENTIAL AS AN EDUCATOR, AND THAT THE IDEA OF A LEADERSHIP CONCENTRATION REALLY SPEAKS TO YOU.

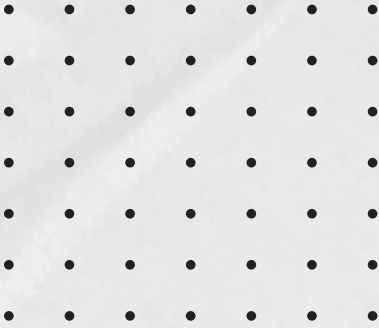

In that case—do we have a career for you! As an enrolled student, you'll get the chance to interpret leadership models; perfect the art of teacher evaluations; and most of all, harness the motivational skills required to lead any classroom.

MS EDUCATION IN EDUCATIONAL TECHNOLOGY:

IF YOU'VE EVER FELT LIKE YOU'RE FALLING BEHIND ON THE EVER-CHANGING TECH LANDSCAPE, DON'T STRESS!

At AU, we've got your back. Pursue this graduate degree in educational technology and stay ahead of the curve. Track trends, leverage tech tools to your advantage, and meet the needs of your entire team.

FINANCIAL AID

HERE'S
THE DEAL(\$)

OK, YOU'VE MADE IT THIS FAR. LET'S BE REAL— IF YOU'RE STILL READING, YOU DESERVE A PRIZE.

So, this is what you came all the way here for.

LET'S ACKNOWLEDGE THE ELEPHANT IN THE ROOM.

How much is your education worth?

And what's the price tag for an institution like Atlantis University?

The money conversation might seem scary at first glance. But the truth is, there's no need for this topic to be taboo or daunting.

At AU, we're committed to providing you with all –and yes, we mean all– of the tools you could ever possibly need to finance your education in a responsible way.

Financial aid? We've got it. We can show you the ropes and teach you how to create a FSA ID account in order to apply for the aid that you deserve.

Scholarships? Yes, we offer them as well! Find out about the eligibility requirements on our website and apply ASAP. The sooner, the better.

WE ALSO OFFER GRANTS, LOANS, AND SO MUCH MORE.

Why wait any longer? Contact us today, set up a meeting with our team, and get started on your financial journey. After all, you deserve to treat your education for what it truly is:
an investment in your future...

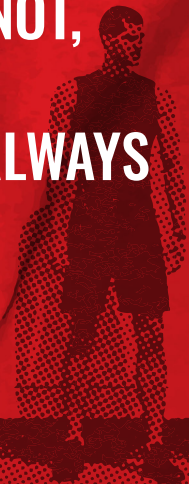

**TRUST US—YOUR FUTURE
SELF WILL THANK YOU**

TAKING THE NEXT RIGHT STEPS

THAT WAS A WILD RIDE

AND WE'RE GLAD THAT YOU MADE IT ALL THE WAY THROUGH WITH US. BELIEVE IT OR NOT, YOU'RE ONLY A FEW SHORT STEPS FROM BECOMING THE ATLANTEAN YOU WERE ALWAYS MEANT TO BE.

YOU'RE RIGHT ABOUT TO CROSS THAT COVETED
FINISH LINE AND YOU'RE PROBABLY WONDERING.
